## Growing Our Collective Impact

---

Ann Storck Center is more than a place to care for and assist individuals of all ages with developmental disabilities in the discovery of ability and building independence. It is a community. Its diverse talents, resources and programs encompass a broad spectrum of residential, educational, nutritional, recreational, therapeutic, artistic, transportation and critical care services. The Center has two distinct campuses in Fort Lauderdale and Pembroke Pines and accommodates 345 employees, 96 full time residents, Early Intervention Preschool, After Care, Hi-Ability Therapy, Mobility Management, Expressive Arts and Adult Day Training.

2019 welcomed a new CEO and a bold new vision fueled by our inspired, trademark ALL-HEART culture. Seeds of change have been planted... as we look to grow our collective impact and embrace a thoughtful, invigorated, collaborative approach to our path forward in the realm of social responsibility.

## Thank You

Ann Storck Center is dedicated to enriching the lives of children and adults with developmental disabilities. The mission throughout all our programs and services is to discover ability and build independence. This takes a whole lot of heart – from our dedicated staff and amazing families to our outstanding leadership, loyal partners, generous supporters and most of all – the children and adults we serve daily.

Old friends and new, we thank you for putting your whole heart forward to ensure that humanity leads boldly, we build on good and together aim for a sustainable future filled with innovative, life-changing care for our beloved beneficiaries.

To continued discovery, growth and enrichment in 2020 and beyond!
